PXC-Starter-Kit

**4Ah PLUS PXC Starter Kit**

**Item No.: 4512159**

Ident No.: 21014

Bar Code: 4006825680331

The Einhell 4 Ah PLUS Starter Kit is the perfect basis to expand the domestic Power X-Change range. One can save considerable costs with a battery and a charging device for all devices. The process-controlled, ABS active battery management system ensures maximum safety, optimal device performance, max. runtime and max. service life. The high-quality battery resists the memory effect and self-discharge. The fast charge device enables short charging times, an optimal charging process and maximum safety by implementing smart charging management. Due to the refresh mode, it is possible to reactivate deeply discharged batteries. One 4 Ah battery and a 3 A charging device are included with delivery.

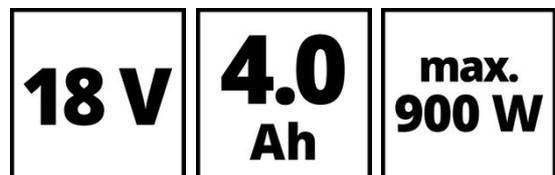

## Features & Benefits

- Universal use for all Power X-Change devices
- Features battery:
  - PLUS-technology: more power for performance-intensive work
  - Battery management system (ABS) for optimum battery monitoring
  - Best performance, safety, running time and service life thanks to
  - Low self-discharge thanks to high-quality Li-ion cells
  - 3-stage LED display for checking the charge level
  - High impact protection and good grip thanks to rubberised housing
  - Housing protected against dust and corrosion
  - Recessed grip for easy removal of the battery from a device
  - Suitable for TWIN-PACK use in 36V applications
- Charger features:
  - Universally compatible with all Power X-Change devices
  - Permanent battery monitoring for optimum charging process
  - Reactivation of deeply discharged batteries using refresh mode
  - 6-fold LED display for information on battery and charging status
  - Intelligent charging management for maximum safety
  - Easy wall mounting thanks to integrated suspension eyelets

## Technical Data

- Mains supply charger	200-250 V   50-60 Hz
- Voltage output charger	20 V
- Charging time	75min
- Voltage	18 V
- Battery capacity	4000 mAh
- Max. power	900 W
- Amount of batteries	1 Pieces

## Logistic Data

- Product weight (kg)	0.57
- Gross weight (kg)	1.02
- Dimensions single packaging	165 x 88 x 173 mm
- Pieces per export carton	12 Pieces
- Gross weight of export carton	13 kg
- Dimensions export carton	346 x 300 x 300 mm
- Container quantity (20"/40"/40"HC)	10404   21960
