Cross Laser Level

**TC-LL 2 G**

**Item No.: 2270109**

Ident No.: 21013

Bar Code: 4006825673630

The Einhell TC-LL 2 G cross line laser is an ideal tool with a range of maximum 16 m. The green laser lines are generated by diodes with 510 - 530 nm and correspond to laser class II. The accuracy is 0.5 mm/m. The device projects not only horizontal but also vertical laser lines. These can be switched individually. The laser is equipped with a digital spirit level with which the device can be perfectly aligned horizontally and is equipped with a 1/4" tripod thread. The scope of delivery includes a universal clamp and a pouch. Not included: 2x AA batteries.

## Features & Benefits

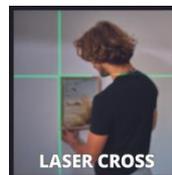

- Cross line laser of laser class II with maximum 16 m working range
- Projection of a horizontal and/or vertical laser line
- Green laser line for better visibility
- Self-levelling for fast projection of the laser cross
- Integrated digital spirit level
- Equipped with 1/4" tripod thread
- Including practical storage pouch
- Including universal clamp for comfortable and flexible working
- 2x 1.5 V AA battery necessary (not included in scope of delivery)

## Technical Data

- Working Range	16 m
- Laser class (horizontal)	II
- Laser diode	510 - 530 nm
- Auto-leveling time	5 s
- self-leveling range	4 °
- Accuracy	0.5 mm/m
- Tripod thread	1/4"

## Logistic Data

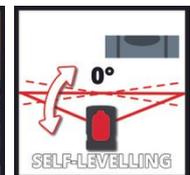

- Product weight (kg)	0.23
- Gross weight (kg)	0.5
- Dimensions single carton	118 x 74 x 206 mm
- Pieces per export carton	8 Pieces
- Gross weight of export carton	5.5 kg
- Dimensions export carton	405 x 275 x 220 mm
- Container quantity (20"/40"/40"HC)	8720   17920   19712
