Cross Laser Level

TE-LL 360 G

Item No.: 2270119

Ident No.: 21013

Bar Code: 4006825675351

The Einhell TC-LL 360 G cross line laser is an ideal tool with a range of maximum 40 m. The green laser lines are generated by diodes with 510 - 530 nm and correspond to laser class II. The accuracy is 0.5 mm/m. With its horizontal 360° laser line, aligning throughout the room becomes easy. The device projects not only horizontal but also vertical laser lines. These can be switched individually. The laser is equipped with a digital spirit level with which the device can be perfectly aligned horizontally and is equipped with a 1/4" tripod thread. The package includes a wall mounting bracket and a pouch. Not included: 2x AA batteries.

Features & Benefits

- Cross line laser of laser class II with maximum 40 m working range
- Projection of a horizontal and/or vertical laser line
- Green laser line for better visibility
- Horizontal 360° line for easy alignment of objects
- Self-levelling for fast projection of the laser cross
- Integrated digital spirit level
- Equipped with 1/4" tripod thread
- Including practical storage pouch
- Including height-adjustable wall bracket for comfortable working
- 2x 1.5 V AA battery are necessary (not included)

Technical Data

- Working Range	40 m
- Laser class (horizontal)	II
- Laser diode	510 - 530 nm
- Auto-leveling time	5 s
- self-leveling range	4 °
- Accuracy	0.5 mm/m
- Tripod thread	1/4"

Logistic Data

- Product weight (kg)	0.31
- Gross weight (kg)	0.79
- Dimensions single carton	141 x 107 x 242 mm
- Pieces per export carton	8 Pieces
- Gross weight of export carton	7.3 kg
- Dimensions export carton	443 x 291 x 222 mm
- Container quantity (20"/40"/40"HC)	7280 15600 18360
